A 1989.

3 ROBERT J. KROLL, 1 2 being first duly sworn, testified as follows: **EXAMINATION** 3 4 BY MR. DELAPLAIN: 5 Q Good morning, Lt. Kroll. As I said on the record, I 6 represent the plaintiffs in regard to a case that has 7 been brought against the City of Minneapolis and 8 yourself as one of the defendants regarding an 9 incident that occurred on May 14th, 2004, in the area 10 of Dusty's Bar and the Old Science Renovation Factory, and I'm going to try to move quickly through 11 12 this deposition for everybody's benefit, and I'm 13 hoping we can work together on just getting through 14 some background information. 15 Did you graduate from a Minnesota high 16 school? 17 A Yes. Q And where was that? 18 19 Harding High School in St. Paul, Minnesota. 20 Q And what year was that? 21 Α 1983. 22 Q And did you attend any education after high school? 23 Α 24 And what type of education have you achieved since 25 high school?

1 the past I've taught many classes. Q Can you describe to me what those many classes are 3 that you've taught in the past? A Well, in the military I was a Military Police 5 Instructor for nine years. I taught civil 6 disturbance, riot control, building clearing, 7 military operations in an urban terrain, leadership 8 courses. I've got a lengthy military file with 9 regard to instruction. I'm sure I'm missing quite a 10 Q Have you ever taught classes within the Minneapolis 11 12 Police Department? 13 A Yes, fairly extensive also. 14 Q Can you name some of those classes that you've 15 taught? 16 A Various courses in SWAT. Again, crowd control, 17 building clearing, civil disturbance. I've taught 18 various classes in SWAT operations, I've taught 19 various classes in union work. I assisted at 20 training many years ago in Officer Survival Week. 21 Again, SWAT courses through other agencies. It's 22 23 Q And when were you first hired by the Minneapolis 24 Police Department?

Q And can you just give me briefly an overview of how your career progression has gone and what your postings have been since 1989?

A I was a recruit in '89. I worked the 4th Precinct, the 5th Precinct and 3rd Precinct patrol. I then worked undercover vice.

I was promoted to sergeant in '95. I worked as an investigator in the Juvenile Division and the Fraud Forgery Unit. I worked as a unit supervisor in the Public Housing Unit, the Booking Unit, the Waterworks Unit. I worked as a patrol Supervisor in the 3rd Precinct, and STOP, which was the full-time version of SWAT's strategic tactical operations.

I was promoted to Lieutenant three and a half years ago, so that would be 2005, May of -- or June of 2005, promoted and detailed temporarily as a Lieutenant in my current assignment in STOP or full-time SWAT, then permanently promoted to Lieutenant in the 2nd Precinct patrol, and about a month ago reassigned to command the Domestic Assault Unit.

- 23 Q I'm sorry, command --
- 24 A The Domestic Assault Unit.
- 25 Q is that within any certain precinct or is that --

PAGE 8

A I think it's three to four years now.

Q And was Sgt. Krueger the vice-president immediately
 prior to you becoming vice-president, do you recall?

8

A Yes. I was a director on the board, and he came on the board as a vice-president, and a few years back we switched roles, and he became a director and I became the vice-president.

- Q Do you remember how many years ago it was that he became a director -- I'm sorry, that you were a director and he became vice-president?
- A I've been on the board 13 and a half years, so I guess I got on in '96, and I think Wally came on around '98 or '99.
- Q And with the Federation, the union, what is your role currently? As vice-president, what do you actually do?
- A There's various duties. We do contract negotiations. We represent officers in internal statements, internal investigations, disciplinary proceedings. I'm on the IOD committee, I'm on the uniform committee. There's several committees that we sit on, oversee. I'm chair of the personnel committee, which entails the grievance committee, the uniform committee, the IOD committee.
- Q What is IOD?

PAGE 7.

A No, that's at headquarters in the Criminal Investigation Division.

3 Q And prior to May, 2004, did you know Wallace Krueger?

4 A Yes.

5 Q And when did you first meet Sgt. Krueger?

- A Approximately when I first got on SWAT, which was
- 8 Q And did you become friends with Sgt. Krueger?
- 9 A Yes.
- 10 Q Is he still your friend presently?
- 11 A Yes.
- 12 Q And you were on SWAT together in 1991, is that correct?
- 14 A Yes
- 15 Q What other assignments have you had while you were working together?
- 17 A I don't think we've ever been assigned in the same position department-wise. We've been on the union board together.
- 20 Q Are you still on the union board?
- 21 A Yes.
- 22 Q And what's your position?
- 23 A Vice-president.
- 24 Q And how long have you been vice-president of the

25 union?

PAGE 9

A Injured on duty. We review cases that are submitted.

- Q And in the scope of those duties you've described, is one of your duties with the Federation to sit with officers in, for example, Civilian Review investigation statements?
  - A Correct ves.
- Q And how many times would you estimate have you done that?
- 9 A Somewhere between a thousand and two thousand. I'm
  10 estimating. I guess approximately a thousand. I
  11 mean I've been doing it for 13 years. I probably do
  12 50 a year, upwards of 50 a year.
  - Q So you're familiar with the process.
  - A Oh, yes.
  - Q Do you also sit in Internal Affairs investigations, do you represent officers?
  - A Yes. I should clarify. That's a combination of Civilian Review and Internal Affairs proceedings.
- 19 Q Have you ever -- and the term you used, you used the term representing an officer if you're sitting with them?
- 22 A Yes.
- Q Have you ever represented Sgt. Krueger in Civilian
   Affairs or internal investigations?
- 25 A I don't believe so, but that's not to say I haven't.

10 Again, with the volume of people I've represented, I 1 2 don't have a specific recollection of representing 3 him. 4 Q How about one of the other co-defendants in this 5 case, Officer Bennett, do you know if you've 6 represented him in any Internal Affairs 7 investigations or Civilian Review investigations? 8 A I can't say for sure. Q How about Officer Hanson? 9 10 A I can't say for sure. 11 Q Officer David Campbell? A I can't say for sure. 12 Q How about Officer Bishop? 13 14 A Again, the same, I can't say for sure. Q So you have no recollection of representing any of 15 those officers in Internal Affairs investigations or 16 17 Civilian Review investigations, right? A Correct. Nothing significant that sticks out. Not a 18 major deal where, you know, there was any substantial 19 20 disciplinary action taken on any of them. Q Now, do you know all of those officers, all four of 21 22 them? 23 A Yes.

12 that was formed up as a job saving measure to avoid 2 layoffs. So we developed a unit that replaced private security there, and I had about a dozen officers that worked under me at that assignment. There was a unit created for that. 6 Q And how about STOP patrol? Is STOP patrol 7 essentially SWAT? A Yes, it's a full-time patrol division, much like a 9 precinct, except its a citywide patrol and all the 10 officers assigned to it are members of the SWAT team, and they can be pulled out of regular patrol to go 11 12 execute high-risk search warrants or to perform 13 other, you know, SWAT duties, a full-scale callout or 14 something like that, but they're a citywide uniformed 15 patrol function. 16 Q When you're on STOP patrol, are you also still 17

assigned to some specific precinct?

A No, you're citywide responsibility.

19 Q Now, I understand on the night in question that you 20 were attending a party prior to the incident 21 involving Mr. Mahaffy.

A Yes.

23 Q And a party in Uptown somewhere, right?

24 A Yes.

Q Do you remember where that was?

A I guess I knew who they were, but very vaguely. We had never worked in the same - I had never worked in the same assignments with any of those officers. And I actually got to know all of them better because my last assignment where I was a lieutenant was in that 2nd Precinct where most of those worked at that time. So since this incident we're discussing, I've got to know all of them better, and I would have known them by face, possibly by name, at the time of the incident, but I'm not certain.

Q And did you know all four of those officers prior to

Q Now, at the time of the incident you were a sergeant in the 2nd Precinct, is that correct?

A No. I was a sergeant, and I don't remember what my unit was at the time. I want to say I was either in the Waterworks Unit or STOP patrol, I don't remember specifically which assignment.

Q What do you do on the Waterworks?

17 18 A That was a unit that was developed for Homeland 19 Security, the threat of terrorist activity at the 20 water treatment facility. It was two-fold. It was at the height of, you know, terrorist alerts where 21 they took measures to secure the water treatment 22 23 because we supplied it for, you know, three counties 24 and seven cities, the Minneapolis water treatment

facility. And in addition to that, it was a unit

A I know it was on Lagoon. I can't remember the name of the establishment. It was on Lagoon, near Hennepin.

13

MS. PETERSON: If we're going to get into the particulars of that incident like we did with Mr. Krueger, Sgt. Krueger, I'd like this under the confidential agreement that we had before, as this is still a disciplinary measure that has not resulted in the final disposition of a disciplinary measure, so all of this should be under that protective order, just as we did it for Mr. Krueger, or Sgt. Krueger.

MR. DELAPLAIN: Okay, we'll acknowledge that you've made a request that all of this be protected by the protective order in the case.

MS. PETERSON: What do you mean, you're going to acknowledge that it will be protected by the protective order?

MR. DELAPLAIN: Well, that means that I recognize that you're designating it as protected. I'm not agreeing it is protected, but I am agreeing that we have to abide by the order, whether it's ultimately protected or not.

MS. PETERSON: So you're saying that the Court will decide whether this is under the protective order or not?

SHEET 5 PAGE 14 \_\_\_ MR. DELAPLAIN: Yes. MS. PETERSON: You can raise your objection, but under the Data Practices Act he has the right, because it's not the final disposition of this disciplinary matter, that everything that revolves around this matter is private personnel data and is not public, and is therefore subject to the confidential order that we agreed to. And if we need go to court on that, we will go to court on that. MR. DELAPLAIN: Understood. MS. PETERSON: Before you start, all of Lt. Kroll's answers from here on until we deem otherwise I am putting under the confidential order as private personnel data, and until such time as I say that it is not protected by that, I want all of his answers to be deemed to be under that confidential, subject to the Court order. COURT REPORTER: Did you also want this portion sealed? MS. PETERSON: I do. MR. DELAPLAIN: I'll state for the record that I object to the sealing of any of the police reports. Particularly, for example, the supplemental report, which I think already was public record and doesn't contain any particular confidential 

PAGE 15 \_\_\_ information regarding Lt. Kroll and was actually used as a part of the basis for charging Mr. Mahaffy with a crime. (The unprotected portion of the deposition was concluded at approximately 9:20 a.m. on November 6, 2009)

Did you have any other alcohol in addition to that that 6 evening prior to the incident? A No. We went for dinner at Psycho Suzie's, or I had 8 dinner at Psycho Suzie's. 9 Q And I understand that before you encountered Mr. Mahaffy you were driving in Mr. Krueger's 10 vehicle, Sqt. Krueger's vehicle? 11 12 A I was riding in his vehicle. 13 Q Okay. Can you describe to me what occurred as you approached that area of 13th Avenue Northeast and 14 15 Marshall Street Northeast? A Wally was driving his Envoy. His wife Cheryl was in 16 the front seat, I was seated in the back. There was 17 18 a person later identified as Mr. Mahaffy in the 19 street, in the middle of the street like he was in 20 distress, putting up like a stop indication for us, 21 waving his arms, stopping us to stop, flagging us 22 23 Wally slowed down, and it didn't appear to 24 be normal, he was acting - he had bizarre behavior, 25 and he just decided to continue past. We didn't know

## PAGE 3 Sealed as Confidential Pursuant to Protective Order 18 EXAMINATION (Continued) 2 BY MR. DELAPLAIN: 3 Q Lt. Kroll, do you remember where you were prior to going to the party? 4 5 A No. 6 Q Do you remember if you drove to the party? 7 A 1 rode with Sqt. Krueger. Q Do you know, that night did you leave your vehicle at 8 another location or at home? 9 A I believe it was in the SWAT garage. 10 11 Q Was it your recollection that you left from work to go to the party? 12 13 A I was in the union office working earlier that day. Q And do you recall what time you arrived at the party? 14 15 A No. 16 Q Had you been drinking alcohol at all prior to the 17 party? 18 A No. 19 And at the party did you have some alcohol? Q 20 A Yes. 21 Q And do you recall how much you drank? 22 Not exactly. Probably three beers. 23 And then I understand you left the party and went to 24 Psycho Suzie's. 25 A Yes.

## Sealed as Confidential Pursuant to Protective Order 20 1 if it was a stranded motorist, someone in distress, 2 why he was flagging us down, but it wasn't inclement 3 weather, there was people around, we just didn't 4 think it was a good idea to stop, or he didn't, he 5 was driving the car. And he slowed, and as he 6 continued to pass, Mahaffy had some type of bag or satchel that he swung and hit the rear driver's side 8 of Wally's truck. 9 Q And then what happened after that? 10 A Wally stopped the truck and got out and checked for 11 damage and detained the guy, and I did the same, I 12 got out of the passenger side and went around to see 13 what that was all about, and at that time we got 14 jumped by a mob of about 15 to 20 people that came 15 off the sidewalk to the east side of the road. 16 (Kroll Deposition Exhibit 1 17 marked for identification) 18 Q I'm showing you what has been marked as Deposition 19 Exhibit No. 1. I'll represent that this is a graphic 20 that was obtained by my office from the Minneapolis 21 Map Department. They purport to represent a 22 schematic of that area, Marshall Street Northeast and 23 13th Avenue Northeast, along with an outline of the 24 buildings in that area. 25 Now, looking at what's been marked as

SHEET 3 PAGE 6 PAGE 8 Sealed as Confidential Pursuant to Protective Order Sealed as Confidential Pursuant to Protective Order 21 23 Exhibit No. 1, do you recognize that as being the 1 this is prior to either you or Sgt. Krueger 2 area that you've been describing? 2 confronting him or coming in close proximity to him? 3 A Yes. A When we parked he was, yeah, acting very bizarre in 4 Q And looking at the markings of the buildings, would 4 the middle of the street. 5 you agree that what's indicated there as 1319 is the Q And then what did you do? 6 location of what's been referred to as Dusty's Bar? 6 A Well, we looked at the vehicle and went to approach 7 7 him, and then he took up like a karate fighting 8 Q And 1317 is what's known as the Old Science 8 stance and started swinging and kicking, and then all 9 Renovation, Inc.? 9 of the people that were in front of 1317 to 1319 came 10 10 off and tackled us and began punching us and kicking Q And is this where the incident occurred that you're 11 us, and, you know, the next thing we knew -- the way 11 12 talking about? 12 I've described it before is it looks like a 13 A Yes, it is. 13 quarterback drops back to pass and the offensive line Q And can I have you mark for me -- I'll give you a red lays down and the defense splits, that's exactly what 14 14 15 pen and ask, if you can, to draw in where it is that 15 it looked like, like eleven-plus people tackling us. Mr. Krueger's vehicle was stopped at the time he got 16 16 Q Okay, and you being the quarterback? 17 out of it. 17 A Yes. Q And so how many people were -- how big was the crowd A (Indicating). 18 18 Q And could you just put a 1 next to that so we can when you first got out of the vehicle? 19 19 20 A l'estimate it at 15 to 20. keep track. Q And they were located where on the diagram? 21 A (Indicating). 21 Q Thank you. And can you place on that diagram an M at 22 22 A In this area here (indicating). 23 the location that you first saw Mr. Mahaffy or where 23 Q Okay. And you marked that, and maybe you can put 24 24 Mr. Mahaffy was when he struck the vehicle. just a No. 2 next to that so we can keep track of A (Indicating). 25 that spot. PAGE 7 PAGE 9 Sealed as Confidential Pursuant to Protective Order Sealed as Confidential Pursuant to Protective Order 22 24 Q Now, you say you got out of the vehicle. Was there A (Indicating).

### 2 any conversation or any words between you and 2 Q And you've indicated an area in front of -- in the 3 3 Sgt. Krueger prior to the two of you exiting the curb area or the sidewalk area in front of Dusty's 4 vehicle? 4 Bar and the Old Science Renovation? 5 5 A No. A Yes. 6 6 Q So you both just got out and went around to see if Q So when you first got out of the vehicle, was that 7 there was damage on the vehicle? crowd up on the sidewalk or out on the street, or A To stop him and see, you know, why he did it and, where were they? 8 A Both. I didn't pay particular attention to the crowd 9 yes, if there was damage, to check for damage and not 9 at first, but along the sidewalk area there on the let him get away. It was a brand-new vehicle. 10 10 11 Q Now, when you got out of the car, you were on the 11 edge of the street. 12 passenger side so you had to come around the -- did 12 Q All right. And you've indicated Mr. Mahaffy as being you come around the backside or the frontside? out in the middle of the street. Was there anybody 13 13 A Just got out of the back door and went behind the 14 14 else out in the middle of the street with him? 15 15 Q And what was Mr. Mahaffy doing when you came around 16 Q So he was in the middle of the street and the crowd 16 the backside of the vehicle? 17 17 was over on the sidewalk area? A Displaying bizarre behavior. He took up like a 18 18 karate fighting stance and was swinging a bag and 19 19 Q And you say that he took up a fighting stance? 20 yelling vulgarities that were unintelligible, I 20 21 couldn't understand what he was saying. 21 Q And was taking swings and punching and swinging his 22 Q And this is as you were coming around the backside of 22 bag at you? the vehicle? 23 23 A Yes. 24 A Yes. Q And did he at that time hit you? 24 25 25 Q And so you're saying he was standing there -- and A I got hit by so many people all at once, I couldn't

. PAGE 12 Sealed as Confidential Pursuant to Protective Order Sealed as Confidential Pursuant to Protective Order 25 27 1 specifically -- other than the guy with a beard, a going to stop and check it out, but then I thought 2 2 tattooed beard, on top of me that I distinctively this guy is either going to fight or flee, so detain 3 remember because of it, punching me, I don't know who 3 him. So I went towards him. I think Wally stopped exactly hit me. to look initially when he passed. 5 Q Do you recall seeing Mr. Mahaffy hit, kick or punch Q Okay. So you went towards him to physically detain 6 Sat. Krueger? 7 A No. And I can't recall any of the specific hits and 7 8 punches because, again, there was just too many 8 Q And were you the closest headed towards him and people and it happened too quick. 9 Sat. Krueger was behind you? 9 A I don't remember. Q All right. So, as I understand your testimony, you 10 10 don't remember who specifically hit or kicked you, is Q And did you say anything to Mr. Mahaffy as you 11 11 approached him? 12 12 A No. 13 13 A I'm guessing I was hit by Mahaffy early on, either by 14 his bag or a fist, but again when everyone was on 14 Q Do you recall Sqt. Krueger saying anything to 15 top, there was just a hog pile of people on top, all 15 Mr. Mahaffy when he approached him? 16 hitting us, women, men. 16 Q What would be the basis of your guess that you were 17 Q Is it fair to say that the two of you approached him 17 together? 18 hit by Mr. Mahaffy? 18 A He was swinging as we approached, and then when more A Yes. 19 19 20 people got there and I got knocked down, I mean he 20 Q And I understand you to say that, like the defensive 21 21 was in closest proximity to do so initially, and just line coming through the offensive line, that right as too many people to identify. So I'm quessing I was 22 22 you approached Mr. Mahaffy you were tackled by a hit by Mahaffy. I remember the guy with the tattooed 23 23 crowd. beard had clear shots at me. 24 A Yes. 24 Q Okay. So as far as whether you were hit by Mahaffy Q Was there any incident that preceded the crowd PAGE 11 PAGE 13 Sealed as Confidential Pursuant to Protective Order Sealed as Confidential Pursuant to Protective Order 26 28

## or not, you're making a guess, right? 1 2 A Yes. 3 Q And you don't have any specific recollection of being hit by Mahaffy? 5 A No. 6 Q Do you have any specific recollection of Mahaffy 7 hitting anybody? 8 9 Q So when you approached Mr. Mahaffy, what were you 10 going to do to him or what was your intention in approaching him? 11 12 A Well, to detain him, find out why he hit the vehicle 13 and have police come, and if damage was done to the vehicle, have him arrested for damage to property. 14 15 Q And so it was your intent, at least initially, to detain Mr. Mahaffy? 16 17 A To see if there was damage to detain him, and, if so, 18 have police come and make an arrest. Q But I thought you had already looked to see if there 19 20 was damage. 21 A We got out to look, and I came by the other side. So 22 we got out to look initially, but then we thought --23 I thought, well, I'm going to hang onto this guy before he takes off. So I initially didn't inspect 24 25 the vehicle, I didn't take that long. First we were

## tackling you or was that just some spontaneous event 2 that they charged out at you? 3 4 5 6 7 A I thought we were going to get robbed or carjacked, is what it seemed like to me, that this guy was out there as a decoy to stop traffic, to do whatever. I didn't understand the situation. It looked to me like, you know, either it was a case of mistaken identity with us or they wanted the vehicle or they wanted to rob us. I didn't know. Q So as you're sitting here today, would you describe 11 that Mr. Mahaffy assaulted you personally? 12 A Again, I can't say specifically, other than the person with the tattoo who I saw punch me when I was 13 14 below him on the ground. It was just too fast with 15 too many people to describe who exactly beyond that 16 hit me. 17 Q So you don't know for sure whether Mr. Mahaffy 18 assaulted you or not? 19 Q No, what? You're agreeing with the statement? A I don't know for sure. I think I've testified to 20 21 22 that several times now. 23 Q So when the crowd assaulted you, did you see what 24 happened with Sqt. Mahaffy out of there, and I remember them saying, A Yes. "He's just drunk, he's just drunk," and they were 10 10 11 11 Q And so how far, do you know, were you from pulling him, trying to get him free, and I wanted to 12 Sqt. And when I went back to try and hang onto with these people, and I kind of squirmed my way out 16 16 him more, I was assaulted again. There were several 17 from beneath the crowd and got my phone out and 17 exchanges like that as they were hustling him off 18 called 911. I called the nonemergency number because 18 back to where he came from, back to the east side of 19 I know that when you call on a cellphone -- I mean I 19 the street. There was a group of people assisting 20 20 called the dispatch, I didn't call 911, because when him to leave. 21 you call 911 it goes to the State Patrol, so I called 21 I don't know if he was stunned from blows. 22 348-2345, which is the direct line to Minneapolis 22 if he was intoxicated or what, but he wasn't in his 23 Communications. 23 right mind from the very beginning of the incident. 24 Q Now, I know Sgt. If it was a etc., and I kind of turned and squirmed and pushed 12 12 one-on-one situation, obviously, but there was just 13 out from underneath that. I thought, I'm going to 13 too many people on me. 14 14 die under here if I don't get out of this crowd. Q Now, I want to go back and just make sure I get all 15 Q And at that time as you were extricating yourself 15 the detail before you actually called the dispatch. 16 from underneath the crowd, would you agree that you 16 You had gotten up, and you say the crowd punched and hit individuals? 17 17 was moving away and trying to drag Mahaffy away? 18 A Yes. 18 Q Multiple individuals? 19 19 Q Or assist him to leave. Were they actually pulling 20 him on the street? A Yes. 20 21 Q Do you recall any women? 21 A Yes. 22 Α 22 Q And he was having a hard time standing? 23 0 And through that effort you managed to stand up? 23 A No, I think he was coming back at us and stuff too. 24 24 Α So he was kind of resisting their efforts to remove Q And called the dispatch number? 25 25

I 3 4 5 there between when you made the call and when you think these are questions for Mahaffy, not me. I can could hear sirens or see any indication of officers 5 only describe what he was doing. And, again, it circumstances what the exact time of it was. I don't 8 9 know if it was thirty seconds or three minutes, I 9 happened very rapidly, there was a lot of people involved. I knew they were trying to physically 10 really couldn't tell you. 10 Q So you called dispatch on your cellphone? remove him, and they're telling him, "Come on, come 11 11 12 on," you know. So I don't know what his motives were 12 13 Q And you say that the crowd was trying to get Mahaffy in the first place, what they were through the 13 out of the area. Then what happened next? 14 14 incident, but it appeared to be apparent to me that 15 A Several people had fled through buildings and 15 the people that were around him were trying to get him out of there. 16 whatever in an easterly direction, and then officers 16 Q Now, prior to calling dispatch I had asked you 17 arrived. I seem to remember those squads arriving 17 from the south and parked, and we pointed out Mahaffy whether you knew where Sgt. Krueger was, and you 18 18 19 who had initially did the damage to the vehicle that said, as I understand it, you didn't. 19 20 A You know, he was off to my right initially, he was the whole incident started over, and I was looking 20 21 for the guy with the beard that assaulted me, and he down on the ground for a while, he was up, but in a 21 22 had fled. 22 situation like this, you know, you don't have a 23 Q I thought you said earlier that there was another --23 camera running, and my mind's not photographic to 24 that the crowd assaulted you again after you made remember specifically at this time when I dialed the 24 25 your initial call to dispatch. phone what this guy was doing. of an incident involving too many people and too 2 violent of action at the time. Q So can you recall whether he had extricated himself from the group that he was engaged with at that time 4 5 though? 6 A At that time, no. 7 Q But if he would have still been under a pile of people that were beating up on him, you would have 8 9 made it a help call, right? MS. PETERSON: Objection, calls for 10 11 speculation. 12 THE WITNESS: I called dispatch, and I just said, "We're trying to hold one for damage to 13 property and they're getting away." So I don't know 14 if he was back on his feet at that time, I don't know 15 if the crowd was leaving. Because again after I got 16 on the phone, then people started leaving, and when 17 they saw lights and heard sirens coming, several of 18 19 these people fled the area. So timing is such that I don't know where Krueger specifically was, if he was 20 21 back on his feet, if people had left and fled when 22 they saw I called, et cetera. Q Now, when you called, were you still out there near 23 24 the center of the street?

Q Okay. So after you called dispatch the first time, then you went towards the curb and sidewalk area?

A I kind of went over here where the squads were 8 9 arriving in the northbound lane.

10 Q Okay. So were you still in the street?

11 A Again, at that time I believe I was, but it's just too difficult to remember in that chaotic situation 12 13 specifically where my feet were planted. It wasn't something that I thought I'd be giving a detailed 14 15 description of in a deposition five and a half years 16

17 Q And as you sit here today, can you actually recall 18 the incident?

19 A Yes, I recall the incident.

20 Q And did you review some material in preparation for your deposition today?

22 A I had looked over my CRA statement that I had 23 provided several years ago.

24 Q And did you look over your supplemental report that 25 you provided?

He was yelling unintelligible things, 10 swinging. I mean I described it earlier with the 11 Civilian Review as being on PCP or something like 12 13 Q And he was continuing to do that at this time --14 A Yes. 15 Q -- when you were trying to grab him and detain him? 2 Q And do you recall as you were using your two hands to 3 hold onto Mahaffy what direction the person you kicked was coming at you from? 4 A I seem to recall them trying to get him to the east 5 side of the street away, like towards the buildings, 6 7 towards the Old Science Restoration and Dusty's Bar. Q And so you're to the west of that? 9 A Yes. 10 Q So that I understand your positioning, you're to the 11 west of -- on Marshall Street Northeast facing 12 towards the east, approximately, and you're trying to hold onto Mahatfy with two hands, and then there's 13 someone else trying to pull Mahaffy to the east. 14 15 A Correct. Q And at the same time you say coming towards you. 16 17 Q Well, when you were kicking at that individual then, 18 19 were you standing up? 20 A Yes. 21 Q So does that mean that Mahaffy also was standing up? 22 A Yes. Q And does that mean that the individual who you kicked 23 24 was standing up? 25 A Yes.

people were.

Q And so after that occurred, after you kicked this individual, do you recall whether then Mahaffy was removed from your holding onto him?

A I don't remember if he was removed or free. I think I answered this earlier. When the squads arrived, I specifically don't know where I was and where Mahaffy was on the arrival of the first squad.

Q So could it be that the arrival of the first squads were at the time or prior to the incident that you were just describing where you kicked someone?

MS. PETERŠON: Objection, calls for speculation. You can answer if you know.

THE WITNESS: I don't know the answer to that.

BY MR. DELAPLAIN:

Q So the squad cars may have already been there when you kicked that individual?

A Oh, I should rephrase that. I don't believe there was any punching or kicking going on after the squads

23 Q And do you recall when the squads arrived whether you 24 still had your hands on Mr. Mahaffy? 25

MS. PETERSON: Objection, asked and

## 58 car and stuff. 1 2 Q Now, when you're actually holding onto Mahaffy, in 3 your mind is that detaining him? 4 A I don't think I had that control over him because, 5 again, I had several people interfering with my 6 efforts to detain him. I was being assaulted by 7 several people while I was attempting to detain him, 8 and, you know, unfortunately I wasn't that big enough 9 or strong enough to have complete control over a 10 person while I was being assaulted by several others. Q So do you think -- did you ever detain Mr. Mahaffy, 11 12 you, yourself? A Well, he didn't get away before the arrival of 13 officers, and he was booked, so I guess in hindsight 14 15 he was successfully detained from leaving the area before officers arrived. 16 Q And I want to direct your attention to near the next 17 18 to the last paragraph of your supplemental report, 19 which is marked as Exhibit No. 2, and this goes back 20 to a question I asked you recently. 21 What the supplemental report says is, "When 22 uniformed officers arrived, I identified AP-1 Mahaffy 23 as the person who did damage to Sqt. 6 7 Q Do you recall going down and meeting with some of the 8 officers in the parking lot of the Grain Belt 9 Brewery?

A There was a parking lot - I don't remember the 10 11 specific lot, but I think like a block to the south 12 and east of there is where we met the paramedics and

the officers met. 13

> Q And did you give a statement to any of the officers that night?

A I didn't take a - you know, what would be a formal 16 17 statement. I spoke with a couple of them, and I 18 don't remember who or what other than, you know, 19 identifying the person that did - you know, we 20 identified Mr. Mahaffy. Q Do you still stick with that? 20 earlier you had said that you don't recall 20 21 specifically seeing Mr. Mahaffy strike Sgt. Krueger. 21 22 A Today, no. If in a case they impose discipline with an officer, an officer is entitled to a grievance procedure in the collective bargaining agreement, and that is union officials meeting with city officials in the police department through the steps, and then the ultimate finding being binding arbitration and the case is presented before an arbitrator. That's about the best way I can nutshell the whole process for you.
